Americans with Disabilities Act-Compliant Curb Ramps and Sidewalk Transitions

Americans with Disabilities Act (ADA)-compliant curb ramps at sidewalk corners ensure accessibility for people who are visually or physically impaired, using wheelchairs or strollers.

ADA Curb Ramp Installations in Algiers Point Project Timeline

<u>Milestone</u>	<u>Date</u>
Construction Start	Oct. 17, 2022
Construction Complete	Nov. 25, 2022

* Please note that all schedules are subject to change and weather delays.

What to Expect During Construction

A sequencing schedule will be made available to the community within 2-weeks of this work starting.

Temporary construction impacts

- Fencing around construction area
- Limited to zero access to sidewalk in the construction area/corner
- Work will be replaced in same footprint with newly installed ramp

Efforts to minimize construction impacts

- ✓ Construction signage placed around the sites.
- ✓ Any temporary closures will be communicated in advance.
- ✓ Construction equipment will not be staged in areas that prohibit residential access and parking.
- ✓ If you notice any changes to your garbage and/or recycling, and US Postal services, please contact our office.
- ✓ Residents will be informed throughout construction.

Regular work hours are Monday-Friday 7 a.m. to 5:30 p.m.
Permission for occasional weekend work may be granted, if required.
