

Project Update: LNW South Group A
October 3, 2023
NOTICE OF HOLIDAY WORK

The City of New Orleans construction contractor, Command Construction, LLC., will be performing asphalt operations on Monday's City Holiday to remain on schedule.

WHEN: *Monday, October 9, 2023, from 7:00 a.m. – 5:30 p.m.*

WHERE: *5400 block of Marais Street*

During this time there will be large trucks and heavy equipment hauling materials in the area. Public safety is our priority; residents and commuters are reminded to use caution when driving, bicycling, and walking near the construction site.

About the Project

This holiday work is part of the **\$7.6M LNW South Group A** joint infrastructure project with the City of New Orleans' Department of Public Works and Sewerage and Water Board of New Orleans.

Once complete, residents will experience an overall improved quality of life as the project will repair/replace damaged underground water, sewer and/or drainage lines, repave the asphalt roadway from curb-to-curb, patching the roadway with asphalt, repair damaged sidewalks and driveway aprons, and install Americans with Disabilities Act (ADA)-compliant curb ramps at intersections. The project is scheduled to be completed in the Spring of 2024.
