About the Project

This temporary disruption of services is part of the **\$7.6M LNW South Group A** joint infrastructure project with the City of New Orleans' Department of Public Works and Sewerage and Water Board of New Orleans.

Once complete, residents will experience an overall improved quality of life as the project will repair/replace damaged underground water, sewer and/or drainage lines, repave the asphalt roadway from curb-to-curb, patch the roadway with asphalt, repair damaged sidewalks and driveway aprons, and install Americans with Disabilities Act (ADA)-compliant curb ramps at intersections. This project is scheduled to be completed in the Summer of 2023.
