

RoadworkNOLA
1300 Perdido St., Suite 2W87
New Orleans, LA 70112

Construction on the **Martin Luther King Blvd (St. Charles - S. Claiborne)- Patch Mill Overlay project** is scheduled to begin in May 2022 and will last approximately **14 months**. In general, the contractor will work from 7 a.m. to 5:30 p.m. Monday– Friday; however, there may be delays due to weather or other circumstances that cause the contractor to work later and / or on the weekends.

Residents should exercise caution when driving, bicycling or walking near active construction sites.

 NextDoor

The City of New Orleans and the Department of Public Works, will soon begin road repairs as part of the Martin Luther King Blvd. (St. Charles - S. Claiborne) - Patch Mill Overlay project. The project will include a vehicular lane reduction and parking lane shift between St. Charles Ave. and Clara St. in the lakebound direction of Martin Luther King Blvd. and a vehicular lane reduction and parking lane shift between St. Charles Ave. and S. Robertson St. in the riverbound direction of Martin Luther King Blvd. to provide protected bike lanes in both directions of travel.

Patch Mill Overlay projects are designed to:

- Repave the roadway;
- Replace damaged sidewalks and driveway aprons; and
- Install Americans with Disabilities Act-compliant curb ramps at intersections.

Learn more about the project by joining us at an upcoming community meeting.

When: Tuesday, April 26, 2022 6 p.m.-7 p.m.

Where: Allie Mae Williams Multi-Service Center
2nd Floor Meeting Room
2020 Jackson Ave, New Orleans, LA 70113

Visit nola.gov/neo to register. A copy of the presentation will be sent to all registrants and uploaded to roadwork.nola.gov/projects prior to the meeting.
