

Project Update: St. Anthony Group A
June 10th, 2024

NOTICE OF SERVICE DISRUPTION
**** WATER ****

You may experience low or no water pressure in this area.
During this time, please find an alternative water supply.

The City of New Orleans Department of Public Works' contractor Fleming Construction Co, LLC., in conjunction with the Sewerage and Water Board of New Orleans, will be tying in a waterline on Wilton & Prentiss resulting in disruption water service to areas of General Taylor Avenue.

WHEN: *Tuesday, June 11th, 2024, 1:00 p.m. – 4:30 p.m.*

WHERE: 2200 - 2900 General Taylor Avenue
(between Loyola Avenue & South Claibourne Avenue)

If there is a complete loss of water, when water is restored, run your faucets for 5 minutes to flush out the lines before resuming regular use.

If water is not restored within one hour on June 11th residents will be contacted by RoadworkNOLA and Sewerage and Water Board of New Orleans via text messaging alert and/or community canvassing.

About the Project

This temporary inconvenience is part of the \$21.9M Milan Group A joint infrastructure project with the City of New Orleans' Department of Public Works and Sewerage and Water Board of New Orleans.

Once complete, residents will experience an overall improved quality of life as the project will improve drainage, repair streets, curbs and sidewalks and install new Americans with Disabilities Act (ADA)-compliant curb ramps at intersections. The project is scheduled to be completed in Fall 2025.
