**Resilience +
Sustainability**

CITY OF NEW ORLEANS

During the recent stormwater and drainage improvements in the Pontilly area, residents shared their requests for non-stormwater Quality-of-Life improvements in their neighborhood. As the City of New Orleans Office of Resilience & Sustainability moves forward with developing this work, residents are invited to attend a public workshop meeting to update the public and allow feedback and direction.

Learn more about the project at our upcoming information session.

Where: **Bethany United Methodist Church**
4533 Mendez Street
New Orleans, LA 70126

When: Tues., August 8, 2023 at 5:30 p.m.
