

RoadworkNOLA
1300 Perdido St., Suite 2W87
New Orleans, LA 70112

Construction on the **St. Roch Drainage Upgrades Project** is scheduled to begin in May 2023 and will last approximately **16** months. In general, the contractor will work from 7 a.m. to 6:30 p.m. Monday – Friday; however, there may be delays due to weather or other circumstances that cause the contractor to work later and / or on the weekends.

Residents should exercise caution when driving, bicycling or walking near active construction sites.

**Resilience +
Sustainability**

CITY OF NEW ORLEANS

The City of New Orleans, Department of Public Works, in conjunction with the Sewerage and Water Board of New Orleans, will soon begin drainage improvements in the St. Roch area.

Drainage projects are designed to:

- Alleviate flooding by increasing the capacity of subsurface drainage between local streets and trunk lines; and
- Use green infrastructure options like retention/detention basins, street basins, rain gardens, and street side bioswales.

Learn more about the project at our upcoming community open house.

Where:

First Pilgrim Baptist Church

1228 Arts Street
New Orleans, LA 70117

Please use the entrance on Urquhart St.

When:

Monday, April 10, 2023 at 6 p.m.
