

Project Update: Treme-Lafitte Group B

October 6, 2023

NOTICE OF HOLIDAY WORK

The City of New Orleans construction contractor, Command Construction, LLC, will be performing structure cleaning of catch basins and manholes on Monday's City Holiday to remain on schedule.

WHEN: *Monday, October 9, 2023, from 7:00 a.m. – 5:30 p.m.*

WHERE: *1500-1600 block of Saint Peter Street
Intersection of North Rocheblave Street and Saint Phillip Street*

During this time there will be large trucks and heavy equipment hauling materials in the area. Public safety is our priority; residents and commuters are reminded to use caution when driving, bicycling and walking near the construction site.

About the Project

This holiday work is part of the **\$8M Treme-Lafitte Group B** joint infrastructure project with the City of New Orleans' Department of Public Works and Sewerage and Water Board of New Orleans.

Once complete, residents will experience an overall improved quality of life as the project will replace/repair damaged underground water, sewer, and/or drainage lines, repave the asphalt roadway from curb-to-curb, patch the roadway with asphalt or concrete; repair damaged sidewalks and driveway aprons, and install Americans with Disabilities Act-compliant curb ramps at intersections. The project is scheduled to be completed in the Winter of 2023.
