

Project Update: Viavant-Lake Catherine Group C  
October 3, 2023

### **NOTICE OF HOLIDAY WORK**

The City of New Orleans construction contractor, Command Construction Industries, LLC., will be performing waterline and concrete work on Monday's City Holiday to remain on schedule.

**WHEN:** *Monday, October 9, 2023, from 7:00 a.m. – 5:30 p.m.*

**WHERE:** *Intersection of Almonaster Ave. and Old Gentilly Rd.  
American St. and Brutus St.*

During this time there will be large trucks and heavy equipment hauling materials in the area. Public safety is our priority; residents and commuters are reminded to use caution when driving, bicycling and walking near the construction site.

#### **About the Project**

This temporary disruption of services is part of the **\$6.4M Viavant-Lake Catherine Group C** joint infrastructure project with the City of New Orleans' Department of Public Works and Sewerage and Water Board of New Orleans.

Once complete, residents will experience an overall improved quality of life as the project will replace damaged underground water, sewer and drainage lines, repave the roadway, repave the asphalt roadway from curb-to-curb, replace damaged portions of concrete with new concrete, patch the roadway with asphalt, replace damaged sidewalks and driveway aprons, and install Americans with Disabilities Act (ADA)-compliant curb ramps at intersections. This project is scheduled to be completed in the Fall of 2023.
