

Project Update: **Viavant-Lake Catherine Group C**
July 18, 2023

NOTICE OF SERVICE DISRUPTION

**** WATER ****

You may experience low or no water pressure in this area.
During this time, please find an alternative water supply.

The City of New Orleans Department of Public Works' contractor Command Construction Industries, LLC., in conjunction with the Sewerage and Water Board of New Orleans, will be performing a water valve closure to complete a waterline tie-in.

WHEN: *Tuesday, July 25, 2023 from 8:00 am-5:00 pm*

WHERE: *Darby St., from Old Gentilly Rd. to Across St.*

When water is restored, run your faucets for 5 minutes to flush out the lines before resuming regular use.

If water is not restored by 5:30 p.m. on June 25, residents will be contacted by RoadworkNOLA and Sewerage and Water Board of New Orleans via text messaging alert and/or community canvassing.

About the Project

This temporary disruption of services is part of the **\$6.4M Viavant-Lake Catherine Group C** joint infrastructure project with the City of New Orleans' Department of Public Works and Sewerage and Water Board of New Orleans.

Once complete, residents will experience an overall improved quality of life as the project will replace damaged underground water, sewer and drainage lines, repave the roadway, repave the asphalt roadway from curb-to-curb, replace damaged portions of concrete with new concrete, patch the roadway with asphalt, replace damaged sidewalks and driveway aprons, and install Americans with Disabilities Act (ADA)-compliant curb ramps at intersections. This project is scheduled to be completed in the Summer of 2023.
