Archaeology and Historic Preservation

Project may involve archaeology

- Site may include prehistoric and or colonial sites. If so, an archaeological monitor will be onsite where digging occurs, for example, subterranean utility work in archaeologically sensitive areas or near cemeteries.
- Email Archaeologist, Michael Godzinski at archaeology@nola.gov

Project may also involve historic preservation

- Character Defining Features in National Register Historic Districts may include stone curbs, street name tiles, brick or stone sidewalks, brick gutter bottoms and two-track driveways to name a few.
- For a complete slideshow of Character Defining Features, visit <https://roadwork.nola.gov/historic-preservation/>
- Email Historic Preservation Specialist, Philip Gilmore at historicpres@nola.gov

What to Expect During Construction

Sequencing of this project will be communicated with residents upon finalization. There will be signage placed prominently to indicate road closures for vehicular, pedestrian and bike traffic. Impacts related to sequencing will be communicated to the community by the RoadWork NOLA office.

Temporary construction impacts

- Additional construction equipment –
 - **Staging for this project has yet to be determined.**
- Limited parking availability
- Sounds
- Dust and debris

Efforts to minimize construction impacts

- ✓ Construction signage placed around the sites.
- ✓ Any temporary closures will be communicated in advance.
- ✓ Construction equipment will not be staged in areas that prohibit residential access and parking.
- ✓ Any changes to garbage and US Postal services will be communicated in advance.
- ✓ Residents will be informed throughout construction.

Regular work hours are Monday-Friday 7 a.m. to 6:30 p.m.
Permission for occasional weekend work may be granted, if required.

Keeping You Informed Roadwork.nola.gov

The screenshot shows the Roadwork.nola.gov website interface. At the top, there's a header with the City of New Orleans logo and the site name. Below the header is a search bar with the text "Get Started Here! Enter an address to get block-to-block details on construction projects". A callout points to the search bar with the text "Enter your address here".
