

Lakeview North Group E Pre-Construction Community Meeting

City of New Orleans

February 22, 2022

Agenda and House Rules

- **Introductions**

Henry Walther, Neighborhood Liaison, Neighborhood Engagement Office

- **Lakeview North Group E**

Laurie Gallagher, Project Manager, Department of Public Works

- **What To Expect During Construction**

Nakeila Polk, Deputy Director, RoadworkNOLA

- **Questions & Answers**

Henry Walther

House Rules

- Allow one person to speak at a time.
- Keep your comments concise and relevant.

SLEEVES UP, NOLA!

The COVID-19
vaccine is our shot to
get back to normal.

Visit ready.nola.gov for more information.

Safety Guidelines for Contractors During COVID-19

- Single point of entry into the jobsite and check-in/check-out of all workers.
- Thorough daily cleaning of work areas. Wipe down of surfaces and frequently touched items.
- Handwashing stations provided with mandated proper handwashing at intervals throughout the day.
- Educational literature posted in multiple languages, along with daily training on appropriate conduct.
- Immediate reporting of any cases of known COVID-19.
- Most progress meetings will be continuing as virtual meetings.

SWBNO / DPW Joint Infrastructure Program Accomplishments

- **December 2015: \$2B FEMA Settlement** for Hurricane Katrina-related damage to roads and subsurface infrastructure
- **May 7, 2018: 10 JIRR projects in construction, 0% Reimbursed**
- **Current Status with estimated values**
 - ✓ JIRR Program Spending accelerated, approximately **24% (\$308.4M)** of \$1.4B Obligation Reimbursed)
 - ✓ **Construction: 58 Projects, \$643M**
 - ✓ **Bid & Award: 33 Projects, \$267M**
 - ✓ **Final Design: 56 Projects, \$410M**
 - ✓ **Completed: 32 projects, \$192M**
 - ✓ **Major milestone in program, now with 54% of our projects either completed, in construction, or in the bid and award phase.**
- **Quarterly Infrastructure Industry Days** continuing to ensure that local businesses can benefit from our projects and programs.

Types of CIP Construction

Full Reconstruction

Repair sewerage, water, and drainage lines, rebuild the street entirely, and repair sidewalks and curbs.

Patch Mill/Overlay

Repave the asphalt roadway from curb to curb and repair damaged sidewalks.

Patch Concrete

Remove damaged portions of the concrete roadway and replace it with new smooth concrete pavement and repair damaged sidewalks.

Types of CIP Construction

Incidental Road Repairs

Remove damaged portions of the asphalt roadway and replace it with new smooth pavement.

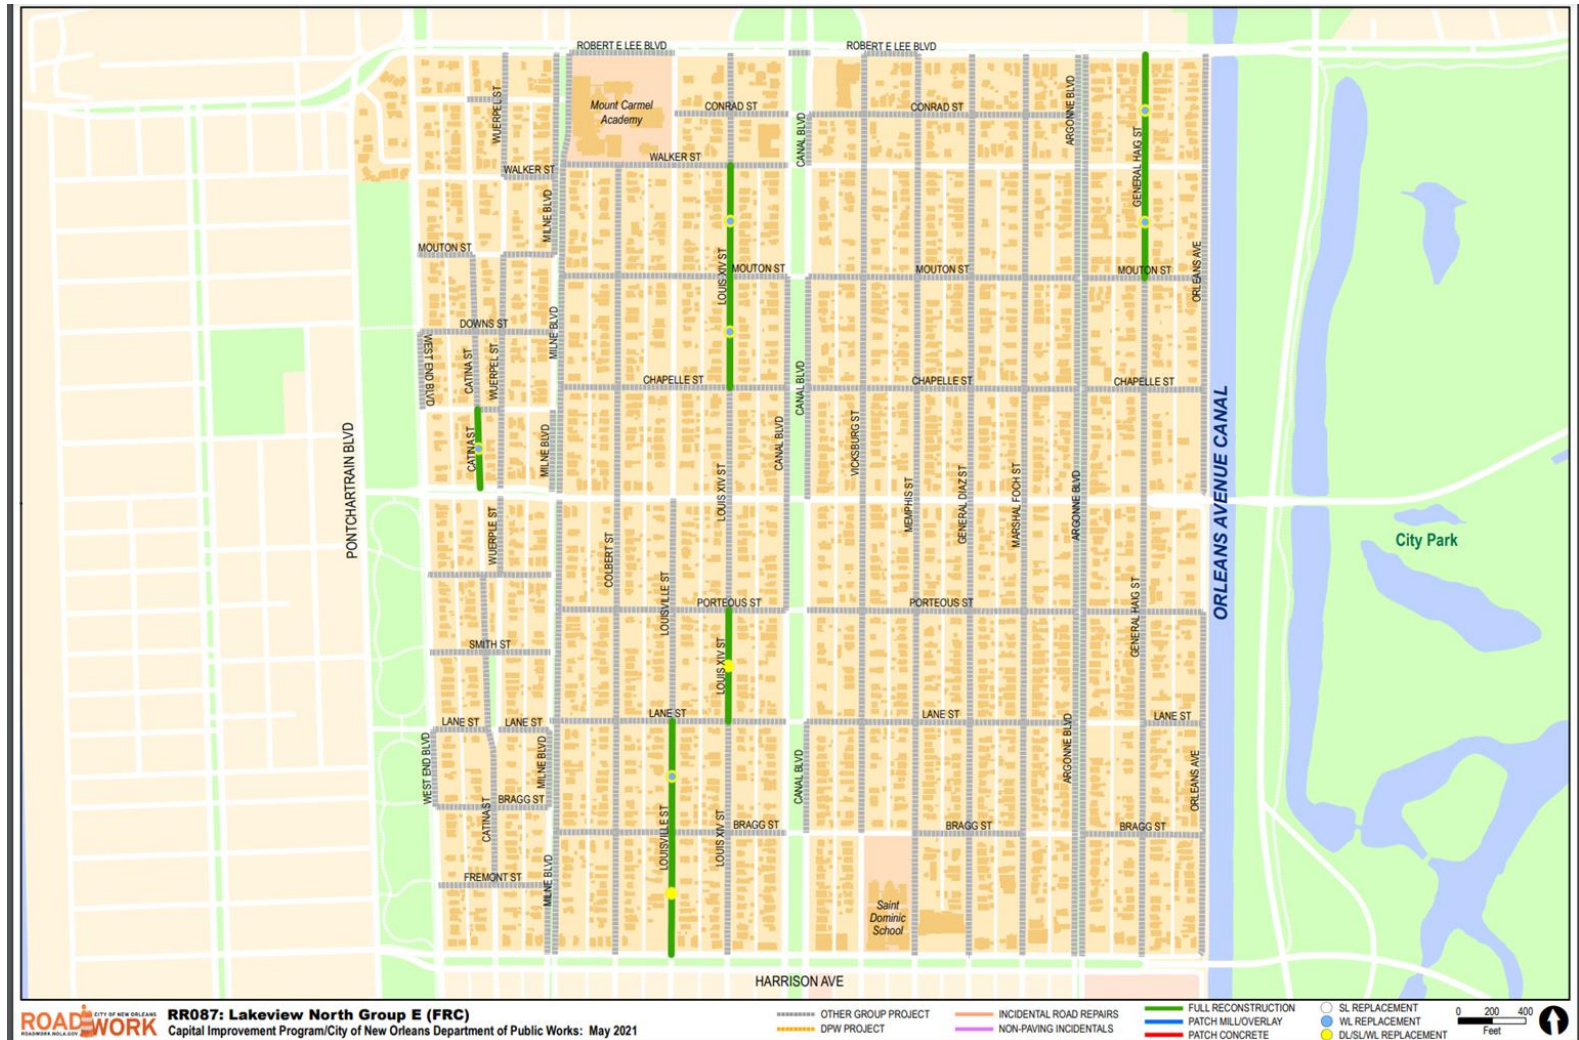

Non-Paving Incidentals

Repair damaged sidewalks, driveway aprons and curbs within the public right-of-way.

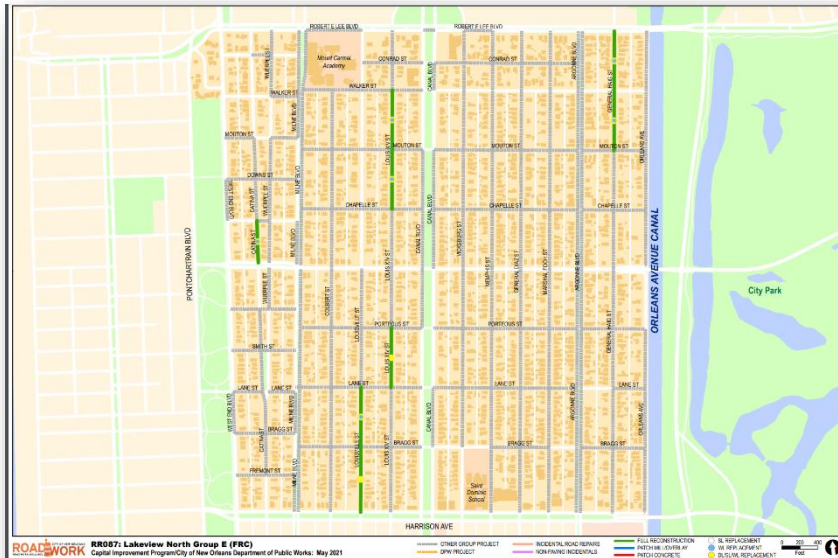

Other Group Project

Street is in the design phase or is planned to be built in a future project.

Lakeview North Group E Full-Depth Reconstruction

Project Overview

Design: ITS Regional, LLC

Construction: Roubion Roads and Streets, LLC

Construction Costs: Approximately \$7.8M Project

Timeline: Project will begin March 2022 and be completed in Spring 2023

Scope of work

- Repave the asphalt roadway from curb-to-curb;
- Patch the roadway with asphalt or concrete;
- Repair damaged sidewalks and driveway aprons;
- Install Americans with Disabilities Act-compliant curb ramps at intersection; and
- Replace / repair damaged underground water, sewer, and/or drainage lines.

Waterline Replacements or Repairs

- This project requires some water service disruptions.
- Notifications will be sent to residents 48-hours prior to scheduled full waterline closures and 24-hours notice will be given for waterline test closures (per Louisiana Department of Health guidelines).

Patch Mill / Overlay

- Roadway will be re-surfaced with asphalt
- Repairs may be made to some damaged curbs, sidewalks and driveway aprons

Sidewalks

- Sidewalk panels adjacent to Americans with Disabilities Act (ADA)-compliant ramps will be replaced with new sidewalks.
- New sidewalks and ramps will meet ADA-regulations.

Americans with Disabilities Act-Compliant Curb Ramps

Americans with Disabilities Act (ADA)-compliant curb ramps at sidewalk corners ensure accessibility for people who are visually or physically impaired, using wheelchairs or strollers.

Lakeview North Group E

Existing conditions on the 6700 block of Catina Street.

Future Concrete Roadway Conditions

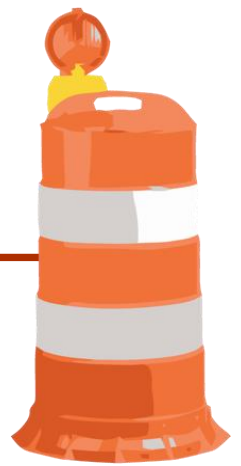

An example of a replaced concrete roadway area on Feliciana Street from the Pontchartrain Park Group A Project.

Project Timeline

<u>Milestone</u>	<u>Date</u>
Construction Start	March 2022
Construction Complete	Spring 2023

* Please note that all schedules are subject to change and weather delays.

What to Expect During Construction

Sequencing of this project will be communicated with residents upon finalization. There will be signage placed prominently to indicate road closures for vehicular, pedestrian and bike traffic. Impacts related to sequencing will be communicated to the community by the RoadworkNOLA office.

Temporary construction impacts

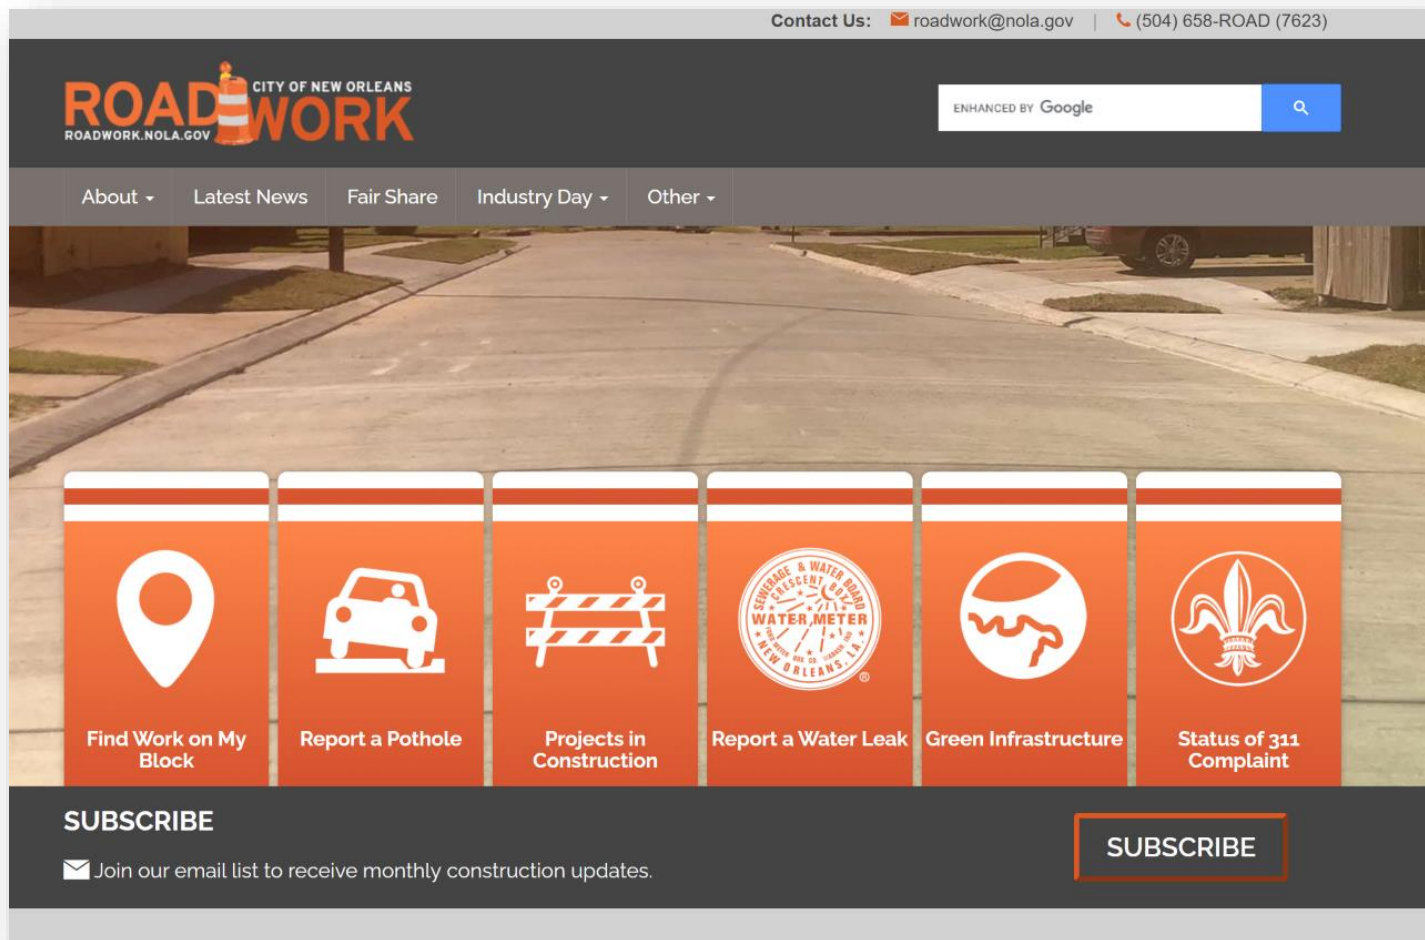

- Additional construction equipment –
 - **Due to the nature of the work some equipment and materials will be stored on the city right of ways.**
- Limited parking availability
- Sounds
- Dust

Efforts to minimize construction impacts

- ✓ Construction signage placed around the sites.
- ✓ Any temporary closures will be communicated in advance.
- ✓ Construction equipment will not be staged in areas that prohibit residential access and parking.
- ✓ Any changes to garbage and US Postal services will be communicated in advance.
- ✓ Residents will be informed throughout construction.

Regular work hours are Monday-Friday 7 a.m. to 5:30 p.m.
Permission for occasional weekend work may be granted, if required.
